Declaration of official support for WWF-UK's Forest Campaign

On behalf of Arbor Forest Products Limited, I confirm that as part of our support for WWF-UK's Forest Campaign, we pledge to:

1. Buy timber and timber products from sustainable sources by 2020, and make our performance public.
2. Support the call for the EU to close the loopholes in the current EU Timber Regulation so that all timber and timber products must be from legal sources.
3. Support the call for the UK government and the EU to complete the transition to a market in sustainable timber and timber products by 2020.

I hereby agree to WWF-UK making reference to our support of the campaign, including use of our corporate logo (as supplied by us), on the campaign website for the duration of the campaign. Use of the name and logo on other campaign materials shall be made by agreement. If at any time we decide to withdraw from this campaign, we will notify WWF-UK with at least one week's notice to enable appropriate actions to be taken.

I confirm that I am authorized to make this commitment on behalf of this business. The assigned contact to liaise with WWF-UK on the campaign is Andrew Peter Howarth, Chairman.
